

CORNERSTONE SYSTEMS, INC.
CONFIRMATION OF HAZARDOUS MATERIALS REGISTRATION, SECURITY PLAN, AND TRAINING

The Federal Code of Regulations mandates that all persons/entities who offer hazardous materials in commerce obtain annually a Certificate of Registration have a written security plan in place and provide in depth security training. (49 CFR §107.608;§ 172.701-704;§ 172.800-804).

Security plans must be in place by September 25th, 2003. As such, it is essential that we confirm adherence to these regulations by all shippers who request that we arrange the transportation of hazardous materials for them.

1. Has and will maintain a current Certificate of Registration issued by the Pipeline and Hazardous Materials Safety Administration, (USDOT), and any of its predecessor or successor agencies;
2. Has adopted and implemented a security plan which complies with the requirements of the federal regulations.
3. Provides in depth security training for all haz-mat employees as required by the federal regulations.
4. Will indemnify Cornerstone for any liability (including but not limited to legal fees) imposed on Cornerstone arising out of violation or breach of these confirmations.

5. I represent and confirm that our company is in compliance with the registration, security plan and training requirements of the federal regulations (and any amendments or revisions of them) which are identified above.
